General Information

About Habitat for Humanity Riverside

No matter who we are or where we come from, we all deserve to have a decent life. We deserve to feel strength and stability day after day. We deserve to know we have the power to take care of ourselves and build our own futures. At Habitat for Humanity, this is what unites us. Our shared vision is a world where everyone has a decent place to live.

Your partnership will help bring strength, stability, and self-reliance to veterans in need of a decent place to live. 100% of the money raised will support our veteran services, empowering low-income veterans and their families by surrounding them with supportive services and giving them the opportunity to purchase a safe and affordable home. This includes support for our upcoming veteran builds, bringing affordable homeownership opportunities to a total of 30 veteran families in Riverside and Jurupa Valley.
