INDEPENDENT AUDITORS' REPORT

To the Board of Directors Habitat for Humanity Riverside, Inc. Riverside, CA

We have audited the accompanying financial statements of Habitat for Humanity Riverside, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Habitat for Humanity Riverside, Inc. as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Habitat for Humanity Riverside, Inc. (the Organization) is a not-for-profit Organization organized in California in 1988 and governed by a volunteer board of directors. Its purpose is to construct, with donated labor and materials, low-income housing for families who live in substandard dwellings and cannot afford to improve their living standards by conventional means.

Habitat provides interest-free financing. If the original family retains ownership of the home, Habitat will forgive a substantial portion of the mortgage principal in the final years of the loan. Habitat uses the proceeds from mortgage collections to finance the building of additional housing.

Habitat also operates a thrift store (Restore) as another means of raising funds for its building programs, which sells surplus donated building materials not used for its own housing projects. Sources of these donations included major home improvements chains, building contractors as well as the general public.

Financial Statement Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Organization reports information regarding its financial position and activities according to two classes of net assets; net assets without donor restrictions and net assets with donor restrictions. Net assets without donor restrictions are available for use in general operations and not subject to donor restrictions. Net assets with donor restrictions are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature where the donor stipulates that resources be maintained in perpetuity. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Income taxes

The Organization is exempt from income taxes under the Internal Revenue Code Section 501 (c) (3) and the California Revenue and Taxation Code Section 23701 (d). Habitat is not classified as a private foundation. Generally accepted accounting principles provides accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the organization in its federal and state tax returns are more likely than not to be sustained upon examination. The Organization's tax returns are subject to examination by federal taxing authorities for a period of three years from the date they are filed and for a period of four years for California taxing authorities.

NOTE 1-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and equipment

Property and equipment over \$500 are valued at cost if purchased or at fair market value at the date of receipt if donated. Depreciation has been computed on a straight-line basis over the useful lives of the assets, as follows:

Vehicles, furniture and equipment 5 to 7 years Leasehold improvements 10 years

Donated services

Amounts are reported in the accompanying statements for voluntary donation of services when those services create or enhance non-financial assets or require specialized skills provided by individuals possessing those skills and which would be typically purchased if not provided by donation.

Donated material and supplies

Donated material and supplies are recorded as contributions at their estimated fair market value at the date of donation if a value can be reasonably determined. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose.

Inventory-Restore

Restore inventory consists of donated building materials available for sale to the general public. The recorded value is estimated based on total yearly sales to approximate the fair value.

Use of estimates

Accounting principles generally accepted in the United States of America require management to make assumptions in estimates that affect the amount reported in the financial statements for assets, liabilities, revenues, and expenses. In addition, assumptions and estimates are used to determine disclosure for contingencies, and other matters discussed in the notes to the financial statements. Actual results could differ from those estimates

Cash equivalents

For the purpose of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Advertising costs

Advertising costs are expensed as incurred.

Subsequent events

Habitat has evaluated subsequent events through November 12, 2019, which is the date the financial statements were issued.

NOTE 2-HABITAT FOR HUMANITY INTERNATIONAL

The Organization annually remits a portion of its monetary contributions to Habitat for Humanity International. These contributions are used to construct homes in economically depressed areas around the world. During this reporting period, the Organization contributed \$28,433 to Habitat for Humanity International. This amount is included in program services in the statement of functional expenses.

NOTE 3-CONSTRUCTION PROPERTY AND CONSTRUCTION IN PROGRESS

Construction property consists of land acquired for the purpose of future building sites for suitable housing project and is reported at acquisition cost, or at fair market value if donated. Construction in progress consists of costs accumulated during the construction process.

Total property and equipment	\$ 13,497

Depreciation expense for the year ended June 30, 2019 was \$10,662.

NOTE 5-MORTAGES RECEIVABLE AND DISCOUNT AMORTIZATION

Mortgages receivable consists of several interest-free loans made to families who have become owners of Habitat homes. These homeowners pay between \$200 and \$800 monthly, not including insurance and property taxes, and the loans have varying terms 18.5 to 45 years. Habitat's policy is to forgive a portion of the original loan amount during the final 10 to 15 years of the loan amortization under the condition that the borrower retains ownership for the entire loan period per the mortgage contract.

Accounting principles generally accepted in the United States of America require that interest-free loans, which involve the purchase of real estate, be discounted to their present value using a fair market rate of interest. Accordingly, the carrying amounts of mortgages receivable have been reduced by the amount of these discounts, which will be amortized over the life of the loans.

NOTE 5-MORTGAGES RECEIVABLE (continued)

Mortgages receivable present value at June 30, 2019
